

### Product information | TECHNICAL DATA SHEET

#### MTN Street Dabbers

90 ml / 30 ml.

#### GENERAL DESCRIPTION

Dabber: Flexible marker with round, spongy tip. Contains glossy paint that, due to its solvent base, yields quick-drying and strong adhesion similar to that of spray paint. Its flexible body allows for controlled paint flow, whether you may be using the tip as a blotter, or to create drips or watery paint effects.

#### FEATURES

- Very fast drying.
- Glossy finish.
- Excelente nivelación.
- Easy and smooth application.
- Good hardening.
- Does not contain lead nor other heavy metals.
- High opacity.
- Highly weather resistant once dry.
- Long lasting color.
- Good U.V. resistance.

#### INSTRUCTIONS FOR USE

- Shake well before use.
- Slightly tighten the body of Dabber to soak the tip.
- As it contains solvents and alcohols, do not apply on plugged in electronic equipment and use in well ventilated areas.
- Close the Dabber lid well in order to extend the tip's durability and in the case of it becoming unusable, replacement tips available.
- Once used, pay special attention when opening and closing the lid, and when carrying in your pockets as it may stain your clothes.
- Request material safety data sheet.
