MrDheo LIMITED/EDITION

MrDheo, based in Porto, always related to art in his childhood. Self-taught, the first contact with graffiti appeared at the age of 15 and soon his drawings turned into countless letter studies. Months later he did his first street piece and started to meet other local artists to whom he related and that motivated him to carry on. Today, after 22 years of continuous work, Mr.Dheo has happily painted all over the world with a style that combines photo realistic characters with a traditional graffiti aesthetic.
